Signed Magnum Broadbent Auction Reserve Port

1 Magnum Total

This was created in commemoration of Michael Broadbent whose legacy includes founding the first wine auction in the world, the very first being the Christie's in 1966, then for Heublein in America and the first charity wine auction, the Napa Valley Wine

Auction, which he co-founded with Robert Mondavi. The Broadbent Auction Reserve is an ultra sophisticated Port blend, made by Dirk Niepoort, which includes every Vintage of Broadbent since it was founded in 1944 by Bartholomew Broadbent. Every year, from 1994-2007, is represented in this blend. Though ready to drink, the wines are of top quality and could be aged, but the purpose is to provide a superior wine to drink immediately. A very limited bottling of the Magnums have been bottled specifically to donate to charity auction, including the 19th Annual CBWC Grand Auction.

1994 Opus One

1-750ml Bottle Total

This is an impressive effort from Opus One. The wine possesses a dark ruby/purple color, followed by a generous, complex nose of lead pencil, toasty oak, violets, and black currants. In the mouth, there is a beautiful texture, soft, generous, low acid, full-bodied richness, and a stunningly proportioned, rich, intense finish. The influence of 18 months in new French oak casks gives the wine a subtle oaky note in addition to giving it excellent delineation. Because of the wine's softness and generosity, it can be drunk now as well as over the next 18-20 years. PR 92
